# The LEARNING TREE

## CHILD CARE CENTERS

### Off-Site Kindergarten Programs

Off-site kindergarten programs differ slightly at each location. Please contact a Learning Tree near you for complete details.

The Learning Tree provides transportation to and from local elementary schools.

#### Safety comes first!

- All medical information and contact numbers accompany each child.
- All of our vehicles are equipped with air-conditioning.
- Only teachers that are 21 years of age or older and whose driving records have been cleared through the State of Illinois are permitted to drive.
- Cell phones are in each vehicle.
- Drivers have attendance lists, so they always know whom they are dropping off and picking up.
- School phone numbers are provided to the drivers so they can contact a school at any time with any questions or concerns.

The off-site kindergarten program offers a structured program including group activities, arts & crafts, dramatic play, outdoor time, academically based centers, creative play and much more.

The Learning Tree will provide all day care for your kindergartner when his/her school is closed, for in-service days, holidays and seasonal breaks, at no extra charge. Summer programs include field trips, visits to local parks and a theme based curriculum that offers enough socialization, outdoor fun and excitement to last all summer long!
