

THE LEARNING TREE— BEFORE & AFTER CARE

SCHOOL AGE (Before and After Care)

Our school age program cares for children who are in first grade through age 11. Our classrooms provide your child with trained staff who will keep the children involved and continue to teach them about the world around them. School years are very formative years and The Learning Tree Child Care Center sets the foundation for your child to make good choices in life.

Parents need to feel at ease while at work. The Learning Tree Child Care Center is a safe and fun environment for your school age child. We offer transportation to and from local schools, as well as care for your child on days off and holiday breaks.

Our School Age Program Includes:

- Homework assistance
- Computer fun
- Field trips
- Cooking projects
- Arts and crafts
